

The Second International Conference on Wireless & Mobile Networks (WiMoN-2010)

July 23 ~ 25, 2010

Chennai, India

<http://www.coneco2009.com/wimon/wimon.html>

The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on advanced Wireless & Mobile networking concepts and establishing new collaborations in these areas. Authors are solicited to contribute to the workshop by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to

- | | |
|--|--|
| <ul style="list-style-type: none"> • Mobile and Wireless Communications • Network Protocols & Wireless Networks • Wireless & Mobile Network Architectures • Wireless & Mobile Network Operations & management • Wireless, Mobile Internet and Web applications • Wireless Multimedia systems • Wireless Sensor Networks • Spectrum Allocation and Management • Wireless LANs and Wireless PANs • Heterogeneous wireless networks • Measurement & Performance Analysis | <ul style="list-style-type: none"> • Mobile Computing • Next Generation Mobile Networks • Mobile Adhoc Network Routing and sensor networks • Measurement & Performance Analysis • Wireless & Mobile Network Security • Routing, switching and addressing techniques & algorithms • Internet access and broadband technologies • Traffic and congestion control, QoS, Resource Management • Ubiquitous networks • Recent trends in wireless & Mobile Networks |
|--|--|

Workshop Details: The conference looks for significant contributions to the Wireless & Mobile networks in theoretical and practical aspects. WiMoN-2010 addresses topics regarding integration of latest technologies to realize wireless, mobile and ubiquitous service environments for advanced applications and services. Original papers are invited on wireless & Mobile communications, Networks, protocols and wireless & Mobile security.

Paper submission: Authors are invited to submit papers through the conference Submission system (Track: WiMoN 2010) by January 31, 2010. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this conference. The proceedings of the conference will be published by Springer (LNCS) in Communications in Computer and Information Science (CCIS) Series (Confirmed). Selected papers from WiMoN 2010, after further revisions, will be published in the special issue of the following journal.

- [International journal of Network Security & Its Applications \(IJNSA\)](#)
- [International Journal of Computer Science & Applications \(IJCSA\)](#)
- [International journal of Computer Networks & Communications \(IJCNC\)](#)
- [International Journal of Wireless & Mobile Networks \(IJWMN\)](#)
- [International journal of computer science & information Technology \(IJCSIT\)](#)

Submission Website: <https://www.easychair.org/login.cgi?a=a0714d104c4b;iid=19531>

Paper Submission Deadline: January 31, 2010

Paper Status Notification: April 20, 2010

Camera-ready Due: May 3, 2010
